WELCOME

We'd like to take this opportunity to describe to you how **PHUSION will enhance your events** to deliver a quality entertainment package.

OUR PURPOSE

We collaborate with you to help ensure your event is memorable so everybody wins!

We provide your guests with a positively memorable experience of interactive engagement (via singing, dancing, and branding your event-incentives and themes).

BACKGROUND

PHUSION performs and entertains in genres of R&B, EDM, Reggae, Latin and Jazz and can provide DJ services for any event at any scale.

Established in 2003, PHUSION has serviced events for weddings, corporate galas, hotels, restaurants/cafes, night clubs, bar/lounges, and private parties. **An expandable trio (guitar, drums, and bass with three-part vocal harmony)**. PHUSION customizes its team size, volume, performance space and approach appropriately for each client to give your guests an experience they won't soon forget.

RESOURCES

- PHUSION is capable of transforming and modifying cover pieces into other musical genres while positively engaging the audience interactively
- Each Pieces' beginnings/endings are blended together for a seamless continuous flow of first-class music and professional entertainment (**We'll keep the party going! Or play smooth background music so your guests can mix and mingle**)
- **Technical Resources Included**
 - MC/DJ Services (appropriate backgrounds for when the band is not playing so you don't need a separate DJ)
 - Up to 2000 Watt Elevated Professional Audio System (Small audio for indoor places, or larger for outdoors)
 - Wireless Microphone (for speeches, public address)
- Archive Set List of 100 pieces ready to perform (Top 40, Wedding Ballads, Dance Genres)
- LED Stage Lighting
- 10'x 20' White Outdoor Tent
